

COURSE REGISTRATION 2019

Dear Students,

Please find the following guidelines for using the course registration "rishum-net" system.

Instructions for entering the "**rishum-net**" registration website:

1. Enter the rishum-net website.
 2. Log in with your ID number (8 numbers, excluding the control digit).
 3. Enter a 5 number individual password.
 4. The screen will display your academic program/s.
Mark the program you will be attending.
 5. The process consists of three stages:
 - a. Selecting your courses
 - b. Building your schedule
 - c. Schedule approval
 6. The system provides "Help" and "FAQ".
- The system will record and confirm course registration only after clicking on "system approval".
 - Important Note: Draft schedule status does NOT reserve your selected courses.
 - For further information and guidelines, please visit the **registration website**.
